THE

Hadrian Advantage

FAST, RELIABLE LEAD TIMES, DAMAGE-FREE SHIPMENTS AND COMPETITIVE PRICES

THE CARLU - TORONTO, ONTARIO HEADRAIL BRACED ELITE PLUS POWDER COATED TOILET PARTITIONS

Established in 1983, Hadrian is a worldwide supplier of quality toilet partitions and lockers. With facilities in Mentor, Ohio, Burlington, Ontario and Shanghai, China, Hadrian continues to embrace new technologies and offer architects, designers and end-users more flexibility in design.

YOU DON'T HAVE TO SPEND MORE TO GET MORE

- Hadrian delivers industry leading quality products at market competitive pricing
- Company-wide efficiencies and leading-edge technology enable Hadrian to offer more value
- Hadrian offers the benefit of a local representative working for you in your market
- Hadrian backs all of its products with a comprehensive product performance warranty

99%

ON TIME DELIVERIES

- Great stock programs for Powder Coated, Stainless Steel and Solid Plastic
- Fast, reliable lead times
- Every color paints every week

98%

DAMAGE-FREE SHIPMENTS

- Superior packaging processes ensure product arrives without damage
- Hadrian's Jumbo shipping container (USA) minimizes damage during transit
- On-time and intact means no surprises

Anti-Graffiti

GRAFFITI DOESN'T NEED TO BE A PROBLEM

Hadrian has an effective and affordable graffiti solution! Our durable anti-graffiti powder coated toilet partitions and lockers are your best defense against unsightly graffiti.

Commercial graffiti removers can be used to completely eliminate graffiti without causing damage to the finish. The powder coating retains its original brilliance and no ghost of the graffiti is left behind!

EASILY REMOVE:

- Permanent Marker
- Lipstick
- Water Based Ink Marker
- Wax Crayon
- Spray Paint

Proven ASTM D6578 Graffiti Resistance

Removal is easy as no special manufacturers' graffiti removal kit is required. Commercial graffiti removers are readily available at most hardware, industrial supply and cleaning supply stores.

COLORS:

Hadrian's anti-graffiti finish is available in four popular neutral colors that complement any décor:

- 826 Kilim Beige
- 827 Dover White
- 828 Dovetail
- 829 Desert

Refer to Hadrian's metal color card for color swatches. Minimum quantities are required for custom colors (solid colors only).

Hadrian Green

ENVIRONMENTALLY SAFE PRODUCTS AND TECHNOLOGY

Since its founding in 1983, Hadrian Manufacturing Inc. has been an environmentally responsible corporate citizen. Hadrian takes special care with regard to the environment in all facets of our business, so you can feel good about choosing Hadrian products!

POWDER COATING TECHNOLOGY

Hadrian was the first in the industry to embrace environmentally friendly powder coating technology. Our powder paints are safe on the environment as there is virtually no waste, energy consumption is low and there are no solvent emissions.

HIGH RECYCLED CONTENT

All of Hadrian's products feature a high recycled content and can contribute points for LEED sensitive projects. Solid plastic toilet partitions are now available with 100% post-consumer recycled content.

PACKAGING MATERIALS

Hadrian's hardware boxes and locker end-caps are made from 100% recycled material and our triple-ply, corrugated "jumbo" shipping container (USA) is 100% recyclable.

MARKETING COLLATERAL

Hadrian's literature is printed on FSC certified stock, which contributes to the conservation and responsible management of forests.

Project Center

TIME IS MONEY:
SAVE BOTH WITH PROJECT CENTER

Project Center is your on-demand 24/7 resource for increased productivity. It is a total project management solution for toilet partitions and lockers. With game changing capabilities and incredible ease of use, Project Center automates drawing, quoting, submittals and ordering for Hadrian distributors!

LIGHTNING FAST SUBMITTAL PACKAGES

- Professional, comprehensive and accurate information – every time!
- Project-specific drawings, specifications, notes, warranty, maintenance and LEED information
- Change expectations in your market with INSTANT response times

MANAGE EVERYTHING!

- All Hadrian products are available in Project Center
- Manage drawings, quotations, submittals, orders and contact information
- Easily access your projects, quotations and orders for follow up and review

FOR DISTRIBUTORS, BY DISTRIBUTORS

- The envy of the industry, Project Center has been built on distributor feedback
- Project Center is available exclusively to authorized Hadrian distributors
- Hadrian continues to listen to customers and incorporate user suggested enhancements

Website

WWW.HADRIAN-INC.COM

Hadrian's website offers full product information, timesaving tools and a secure login area where Hadrian distributors and sales agents can access key information. The home page offers 1-click access to the most frequently visited areas of the site.

SPEC CREATOR

Hadrian's Spec Creator allows users to quickly and easily create custom toilet partition specifications and submittal documents.

HARDWARE GUIDE

The hardware guide allows users to browse Hadrian's hardware library to explore the contents of kits and sub-kits, complete with pictures of individual components.

LEED INFORMATION

LEED information for all Hadrian products can be quickly accessed directly from the home page.

CONTINUING EDUCATION

Architects can access Hadrian's FREE on-line AIA/CSI approved continuing education course to obtain points.

Powder Coated

TOILET PARTITIONS

Offering the best value in the industry, powder coated toilet partitions address the key areas of durability, high recycled content, fire resistance and graffiti resistance – all at an entry-level price!

HIGH RECYCLED CONTENT

With 50% recycled content (36% post-consumer and 14% pre-consumer) Hadrian's powder coated toilet partitions are an excellent choice for environmentally sensitive projects.

INDUSTRY-BEST FIRE RESISTANCE

Hadrian's powder coated metal toilet partitions are completely fireproof and will not give off toxic smoke if exposed to heat or flame.

ANTI-GRAFFITI

With proven ASTM D6578 graffiti resistance, Hadrian's anti-graffiti toilet partitions are your best defense against unsightly graffiti. Graffiti can be removed without damaging the finish or leaving a "ghost" behind.

FAST DELIVERY / IN-STOCK MATERIAL

Hadrian leads the industry with fast lead times and in-stock material.

LOWER UNIT PRICE

One half to one third the cost of plastic-type partitions.

EASIER, LESS COSTLY INSTALLATION

Up to 90% less. Lighter material and pre-drilled pilasters mean only one installer is required.

LARGE SELECTION OF DESIGNER POWDER COATED COLORS

Hadrian's organic polymer powder coated finish is exceptionally maintenance-free and is resistant to abrasions, chemicals, detergents and acids.

SECURE, CONCEALED HARDWARE

Hadrian's hinges and latches are set within the thickness of the door, for sanitary, easy maintenance and modern styling. Hadrian's metal partitions hold fasteners better than other substrates.

DURABLE AND REPAIRABLE MATERIAL

Doors, panels and pilasters will not warp, chip, delaminate or flake and minor damage can be successfully repaired.

Stainless Steel

TOILET PARTITIONS

With long lasting beauty, gleaming modern appearance and easy to clean maintenance, Hadrian's stainless steel toilet partitions are ideal for high moisture conditions, high traffic areas and luxurious end use applications.

HIGH RECYCLED CONTENT

With an impressive recycled content of 91% (76% post-consumer and 15% pre-consumer) Hadrian's stainless steel toilet partitions are an excellent choice for environmentally sensitive projects.

INDUSTRY-BEST FIRE RESISTANCE

Hadrian's stainless steel toilet partitions are completely fireproof and will not give off toxic smoke if exposed to heat or flame.

CORROSION RESISTANT

Hadrian's stainless steel is virtually impervious to chemical cleaners, spray washing, and sanitizing agents.

DURABLE MATERIAL

Doors, panels and pilasters will not warp, chip, delaminate or flake.

HYGIENIC

Stainless steel promotes a hygienic environment, which is ideal for public rest rooms.

FINISHES:

#4 BRUSHED STAINLESS STEEL

Hadrian's type 304, #4 brushed stainless steel finish promotes a hygienic environment while offering corrosion resistance and a clean, modern appearance.

EMBOSSSED STAINLESS STEEL

Hadrian's embossed stainless steel resists extreme high traffic usage without showing wear. It also offers added protection from abrasions, smudges and fingerprints.

HYBRID STAINLESS STEEL – BRINGING BOTH FINISHES TOGETHER

Hadrian can produce stainless steel compartments that feature an embossed interior for increased protection against vandalism and a #4 brushed finish on the exterior to maintain a clean, smooth appearance on the outside. This is a great solution for airports and other high-traffic facilities.

Custom finishes, such as leather-grain, are available upon request.

Solid Plastic

TOILET PARTITIONS

Hadrian's solid plastic toilet partitions are made from durable high density polyethylene (HDPE) material and offer the utmost in strength and durability.

100% POST-CONSUMER RECYCLED CONTENT

Solid plastic with 100% post-consumer recycled content is available (241 Ebony). All of Hadrian's other solid plastic colors have a minimum pre-consumer recycled content of 30%.

CERTIFIED CLASS B FIRE RATING

Hadrian offers a full range of certified class B HDPE solid plastic colors that meet the requirements of ASTM E 84.

IN STOCK

Hadrian offers 4 popular solid plastic colors from stock, which ship within 5 business days.

FAST LEAD TIMES

Non-stock colors ship within just 2.5 weeks.

BUILT TO LAST

Made from durable high density polyethylene (HDPE) material, Hadrian's solid plastic toilet partitions are the ideal choice for high abuse facilities such as schools, stadiums, parks and airports.

SOLID CORE WITH NO AIR POCKETS

Hadrian's plastic material features a solid core that does not contain foaming agents, which can cause the formation of air pockets within the material.

DURABLE MATERIAL

Doors, panels and pilasters will not dent, crack, chip, flake or delaminate. Solid plastic is virtually impervious to chemical cleaners.

GRAFFITI RESISTANCE

Hadrian's solid plastic toilet partitions offer excellent graffiti resistance, allowing most graffiti to be removed.

INDUSTRY LEADING WARRANTY

Guaranteed to stand the test of time, Hadrian's solid plastic toilet partitions carry an industry leading 25-year warranty.
